## Temperature & Humidity Controller

products

 **SAMWON ENG**  
Made in Korea

Samwon Eng. has the best effort to guide change with constant development in digital controller field, and make its products, the world's best honest management, human respect management, environment friendly management that keeps its primaries and principles. SAMWON ENG-Control measuring instrument, comprehensive maker. Samwon Eng, superior technique warrants quality.

 **SAMWON ENG**

# Sensors

**SM SERIES**

- Programmable
- PID
- General type
- Special purpose
- Indicator
- Others

**SD SERIES**

- Single Channel

**SU105 SERIES**

- Temperature Controller

**SU103 SERIES**

- Temperature Controller
- Digital

**HUMIDITY REGULATOR**

- Humidity controller

**TEMPERATURE  
HUMIDITY  
INDICATOR**

- PL-D2B
- PTX Series
- PE Series
- PEN Series

**A/V METER**

- Amper panel Metter
- Volt panel Metter

**COUNTER & TIMER**

- PSC series
- HE(Hollow type)
- HE(Shaft type)

**TIMER REGULATOR**

- Thyristor Power
- Solide State Relay
- Power supply

**HOSE EXCLUSIVE METER**

- Control switch
- Combination display

**SU1133 SERIES**

- Humidity controller
